

The Uprising of a Great People: The United States in 1861 (Classic Reprint)

Excerpt from The Uprising of a Great People: The United States in 1861 The edition of the Uprising of a Great People which we issue herewith, has been carefully revised to conform to the new edition of the original work, just published at Paris. The author has corrected several errors of fact, which were noted by American reviewers on the appearance of the translation, and has also made sundry changes in the work, designed to bring it down to the present time, and to adapt its counsels to the new light that is breaking in upon us in the progress of events. These changes, however, have been few, and relate chiefly to the policy of emancipation, for so truly has this remarkable book proved a prophecy, that the author, on reviewing it after a lapse of several eventful months, can find nothing to strike out as having proved untrue. We are indebted to the kindness of Count de Gasparin for one or two corrections of trifling biographical misstatements in the translators preface. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
